St Basils supports client choice and will consider requests to use providers outside our approved network where appropriate.

Where such arrangements are approved, the cost charged to the client's package will be the provider's invoiced fee plus a **10% care coordination and administration fee**, reflecting the additional work required to establish, manage, and monitor these arrangements safely and compliantly.

Client Contributions: Based on an income and asset assessment by Services Australia, some clients may be required to contribute to their care and services. The amount will vary for everyone. If unsure, we can help you ascertain if you are required to contribute.

Cancellation Policy: St Basil's Aged Care WA requires a minimum of 48 hours' notice to cancel services. Where permitted, under your Support At Home Service Agreement, a cancellation fee may apply where less than 48hrs notice are provided.
